Discussion/possible action regarding the Hwy Department to get a credit card for online purchases

Isham explained to the board that it is getting harder and harder to buy some of the materials and supplies that they need on account. Several vendors require purchases either online or over the phone with a credit card. He said that Detention, who already has a credit card has been helping when they can, however, it would be nice if they had access to their own. Isham said the card would never leave the office and the only two authorized to use it would be himself and Jim Novacek. Moved by Sypal, seconded by Coufal to approve the Highway Department to get a credit card. In further discussion, Steager asked the clerk if she thought it would be an issue. County Clerk, Stephanie Laska, explained that auditors aren't very fond of counties having them, however, she knows of several counties that do have credit cards. The main issue is accountability and reconciling the card. The chairman called for a vote, the following voted:

Aye: Sypal, Coufal, Krafka, Steager, & Whitmore.

Absent: Bauer & Svoboda.

Update on Roads

Isham explained projects that the Roads Department has going on and will be working on soon. He gave a quick update about the future gravel pit and a few issues that have been presented. He said he will hopefully have more information at the next meeting.

Discussion/Possible action regarding health & dental insurance bid opening

Laska explained that after the last meeting she was contacted by Mike Boden, NACO Benefit Services, regarding an issue that had arisen. The brokers that will be bidding health & dental for the county will likely want the renewal for the health and dental; last year Aetna released the renewal on May 11, 2023; he has been in contact, and they are not currently willing to release it any sooner, which would cause issues with a bid opening on May 6, 2024. She is suggesting the board move the date to May 20, 2024, at 9:30 a.m. She also said she was contacted by a broker who had asked if the board would be interested in seeing any other plans than just fully insured. She explained that currently we are asking for only fully insured, there are partially self-insured plans, self-insured plans, and alternatively funded plans. The board agreed they didn't see why they couldn't also look at alternatively funded plans but were not interested in self-insured plans. Moved by Steager, seconded by Sypal to move the bid opening for health & dental insurance to May 20, 2024, at 9:30 a.m. and update the RFP to also allow alternatively funded plans. Upon roll call vote the following voted:

Aye: Steager, Sypal, Coufal, Krafka, & Whitmore.

Nay: NONE.

Absent: Bauer & Svoboda.

Motion carried.

Appoint a supervisor to sit on the Southeast Nebraska Development District (SENDD) board

The board discussed the need for a supervisor to be appointed to the SENDD board, however, since there was not a full board, they wanted to get a little bit more information and have everyone present. Chairman Whitmore said he would be absent at the next meeting, but they could nominate someone for the position in his absence. The board tabled this topic until May 6, 2024.

ARPA Funds Annual Reporting & Update

The board was presented with a report showing the ARPA funds that have been obligated & used to date. The board still has \$453,902.62 to obligate by December 31, 2024. There are 3 fire districts that still have funds that need to be utilized; Dwight Rural Fire has not obligated or spent any of the funds that were allocated to them. In total the Fire districts have \$38,610.70 to obligate by June 30, 2024, or it comes back to the county for the county to obligate by the end of 2024.
